

25th Anniversary Open-House After Thanksgiving Celebration – Cliff says,

“Get Downwwn!”

As the season of giving thanks approaches, most are planning for turkey dinners and football, but the folks at South Houston's Gulf Coast BMW/British U.S.A. are busy gearing up for their annual open-house after Thanksgiving bash.

This year's special blow-out marks the premier British and European bike dealer's 25th anniversary. It's set for 11am - 5pm, Saturday, November 29th.

Sure to be a "happening" day for bike enthusiasts of all ages, the event offers everyone a unique opportunity to preview the new 2009 motorcycle models—including the long-awaited releases of the Triumph Street Triple 675R and the all-new globetrotting BMW F 800 GS.

There will be a chance to talk shop and sizing with industry neps from Scorpion, Shoji, Sid, Venar and, of course, Larry from Vanson Leathers.

The celebration offers major door prizes, a savvy Ladies Fashion Show, and a Vintage & European Bike Show that gives entrants the opportunity to show-off their own classic or new bikes.

Live entertainment with an eclectic mix by British bike enthusiast Len Means, promises to set the stage for any party atmosphere.

Gulf Coast BMW/British U.S.A. is a unique, progressive BMW and Triumph-certified dealership with a flair for vintage nostalgia. Call Holland

began the "Cycle Wharf" in his garage in 1983, wrenching on BSA, Norton and Triumph bikes—and with a lot of hard work, has grown it into a

platinum-level, cutting-edge facility over the years.

Exciting new developments include a recently renovated 4000 square-foot showroom that displays the complete 2009 line-up of Triumph bikes and the hottest in metro Triumph apparel. Also, Gulf Coast has taken on the Schwin and Keweenaw motor scooter lines, which offer full scooter service, parts and apparel.

Gulf Coast BMW/British U.S.A. takes pride in providing comprehensive training for its professional staff on all product lines, and invites customers to come in and discover for themselves why the dealership has been voted "one of the ten top service departments for import brands" by "Ride Texas" Reader's Choice Awards every year meaning!

And yes, customers can stop by and talk shop, size at the line-up of vintage bikes, or just scope-out their sleek lines of apparel, helmets and rider's gear by BMW, Olympia, Rev'it, Gerbing, Scorpion or Vanson Leathers. Gulf Coast BMW also offers the hottest aftermarket parts and extensive gadgets for BMW bikes—just ask their Parts Manager, Gregg Holt—a true BMW industry icon!

Gulf Coast BMW/British U.S.A. is located at 1795 College Avenue, just east of I-45 South at the Hobby Airport exit.

Just ask for Françoise!

Scope out newly released models of Triumph Street Triple 675R and globe-trotting BMW F 800 GS!
